

Internships @CIRC

CUTS Institute for Regulation and Competition (CIRC) aims at

- Facilitating research to enhance understanding and explore inter-disciplinary linkages among the identified subjects e.g. economic regulation, competition policy and law, public private partnerships etc.
- Creating and maintaining a knowledge database
- Offering consultancy services to governments, regulators, business, etc.

Internship programmes at CIRC are offered in varied disciplines and involve graduate, pursuing as well as post graduate students. Duration of internships at CIRC also varies with the programme discipline, ranging from one month to three months and is provided in both full time as well as part time basis. Interns are expected to dedicate their time, talent and creative skills towards every assignment given to them. In return interns get learning opportunities and experiences that help them with both academic and professional growth.
