

MERGER SIMULATION WORKSHOP

GAIN MERGER FILING AND DRAFTING COMPETENCIES

THIS 6-HOUR, 3-PART WORKSHOP WILL ENABLE THE PARTICIPANTS TO GAIN:

- Insights into the statutory and regulatory intent underlying the regulation of combinations under the Competition Act 2002.
- Simulated experience of the merger filing process, advance consultation with the Competition Commission of India (CCI), making additional submissions and more.
- Invaluable feedback, thought-provoking presentations and insights from experienced practicing lawyers and competition economists.
- A comprehensive skill set in drafting and merger filing, equipping you with the tools necessary to navigate this complex landscape with confidence.

WHO SHOULD ATTEND:

- Students pursuing law and economics degrees, Chartered Accountants (CA), Company Secretaries (CS), or Cost and Management Accountants (CMA).
- Young professionals in the areas of law or economics or chartered accountant or company secretaryship seeking to acquire nuanced understanding of law and practice of mergers and acquisitions under competition regime
